

TrashStand™ Car Trash Bin

Components:

- 1 TrashStand Car Trash Bin
- 1 Leakproof liner with orange loops
- 1 Black steel base plate

Assemble:

- Expand the TrashStand car trash bin by pulling sides outwards and set it on a flat surface
- Place the black steel base into the bottom of the TrashStand with fins facing up
- Unfold and expand the leakproof liner and place inside the Trashstand
- Line up the hook and loop fasteners located at the tops of the TrashStand and the liner, press together to secure the liner to the TrashStand

Cleaning:

- Place the TrashStand on a flat surface
- Separate the hook and loop fasteners at the top of the TrashStand and the leakproof liner
- Grab the orange loops on liner and pull up to remove
- Empty the liner and wipe clean
- Replace liner
